

ADVANCE PAYMENTS PROGRAM (APP) POST-PRODUCTION WORKSHEET

This worksheet **must be completed before December 15, 2018** (for producers who received the pre-harvest advance) to determine and confirm the amount of Post-Production Advance the Producer is entitled to under the Advance Payments Program (APP). It forms part of the Producer Application for an advance and should be maintained in the Producer's file.

The total Advance issued to one producer and related producer must not be greater than \$100,000, interest-free and \$400,000 in total including amounts previously issued or attributed to the producer under this program or issued under an overlapping program year. For the purposes of the Advance Payments Program (APP), I am confirming my advance based on the crop I have harvested and I will keep the crop adequately stored to ensure it remains in marketable condition until disposed of in accordance with the Terms and Conditions of the Repayment Agreement I have entered into under the APP. I declare I have completed and signed an Application for an Advance – Advance Payments Program (APP) and agree to comply with all of the terms and conditions included in that package.
