Should the Final Seeded Acreage Report demonstrate that the acreage seeded was not sufficient to justify the intended eligible advance under the first (1<sup>st</sup>) instalment issued to the producer, the Administrator shall, where the overpayment is more than ten thousand dollars (\$10,000) or ten percent (10%) of the issued value of the advance (whichever is greater), notify the producer that he or she has thirty (30) calendar days to repay the difference between the first (1<sup>st</sup>) instalment and the second (2<sup>nd</sup>) instalment or, if eligible, make application for an advance on another commodity and have the proceeds applied to the deficit. Failing this, the producer will be declared in default.

I am requesting the second instalment based on the completion of Section 3 of this worksheet as part of the Application, together with my Final Seeded Acreage Report provided to me by Production Insurance. I agree to **submit the Post Production Worksheet to the Administrator before December 16, 2019**

Upon the execution of this second instalment, I agree to the terms and conditions of the Application dated \_\_\_\_\_, 20\_\_.
