

**Manitoba Corn Growers Association
is committed to putting the health and safety of our employees and customers
as a top priority during this COVID-19 pandemic.**

As members of the community, we are taking steps to help prevent and mitigate the spread of the virus.

Staff are following the most current government recommendations for precautions to COVID-19 (website: <https://manitoba.ca/covid19/>). We are asking some employees within the MCGA building to work from home as their type of work allows for this flexibility. We are also asking any employees who feel ill to stay home as per provincial government recommendations.

MCGA recognizes Advance Payments Program (APP) clients wish to make repayments or complete applications in-person. However, we wish to provide a safe working environment for our critical frontline staff and therefore will be implementing additional measures. **Effective Tuesday, March 17, 2020 the MCGA building will be closed to the public. However, staff will continue working normal hours of 8:30 am to 4:30 pm to assist clients.**

Options to assist you include:
